

SCHOOL FINANCE MEMORANDUM 17-033

**State of Arizona
Department of Education**

TO: Superintendents, District Business Managers, Charter Business Managers, Charter Holders, and Administrators

FROM: Lyle Friesen, Deputy Associate Superintendent of School Finance

DATE: January 15, 2017

SUBJECT: School Finance Updates

Important Reminder: Reconcile ADE AzEDS Data to your SIS Data

Remember to reconcile the data that is in your student information system (SIS) with the data in AzEDS. Funding for future payments will be determined by the data that is in AzEDS, not your SIS. If there is a discrepancy in the data, whatever is in AzEDS will be used for your funding for future payments. Data should be reconciled monthly, at a minimum. See 2017 Data Deadlines on the School Finance webpage for data capture date for each month's payment.

We advise you to review a couple of reports on a regular basis:

- Student Integrity Status Report (INTEG15)
- AzEDS Data Verification Reports (STUD10, STUD15)
- Post ACE Reports (ADM15)

These reports can all be found within the AzEDS portal via ADEConnect.

If you need assistance with how to reconcile your AzEDS reports, please reach out to your Account Analyst. They can get you to additional resources and trainings, such as the following sessions:

Please note that only districts must submit this data. Charters do not submit transportation data.

AzEDS

School District Base Support Levels (except for declining districts) and Charter Districts will be funded based on FY 2017 Projected 100th day ADM, SPED, and ELL values. Please be sure that you review your ADM20, SPED20, and ELL20 reports, which are available via ADEConnect. These reports will be updated daily and will change as you submit additional student data. Legacy reports, ADM46-1, SPED28-1, and ELLS28-1, will updated once a month, following the Data Capture Date deadline as indicated at: <http://www.azed.gov/finance/2016/06/30/fy-2017-monthly-processing-and-integrity-schedule/>. These reports will reflect the numbers to be used on the upcoming state aid payment (APOR55-1, CHAR55-1). Be sure to contact you [School Finance Account Analyst](#) with questions regarding the quality of your ADM, SPED, and ELL numbers.

Dropout Recovery and Grand Canyon Diploma Data Reporting

Dropout Recovery Program (DRP) is currently in the process of transitioning to AzEDs, and all LEAs should be attempting to sync this data. Please contact your Account Analyst if you have any questions.

Grand Canyon Diploma (GCD) data will follow the same method of submission in FY 2017 as used in FY 2016.
