RE: Updated Counts for November 1 Payment

[Last week we sent out a communication](#) about the November 1 payment with an attached preliminary file. Updated values as of October 11, 2016 are available now. The file [2016-11-01 ACE Based Funding](#) indicates the AzEDS results for FY 2017 ADM, SPED, and ELL for all Districts.

What to do with the [2016-11-01 ACE Based Funding](#) file:

Included in the file is an indication of whether the district/charter will be funded on projected FY 2017 values. If "FY17 AzEDS/ACE" is indicated in the "November 1 Payment Basis" column, funding will be based on FY 2017 ADM. "PY or Estimates" in the column indicates funding will be based on prior year ADM for School Districts or Estimated counts for Charter Districts.

Additionally, the "November 1 Payment Basis" column also indicates whether a School District is considered to be declining and will continue being funded based on prior year ADM. This determination may change as student data is submitted over the course of the year or as 915 requests for FY 2016 are completed. This prior year funding provision for School Districts applies only to FY 2017.

If you disagree with the "November 1 Payment Basis" column in the spreadsheet, please e-mail SchoolFinance@azed.gov by October 14, 2016.

Summary ADM reports for FY2017:

Aggregated data from AzEDS has been pushed to the ADM46-1, SPED28-1, and ELL28-1 reports; these are available at www.ade.az.gov/districts for all. AzEDS reports (ADM20, SPED20, and ELL20) are available for all Districts via [ADEConnect](#), and update with each ACE run. As you update student data, this information will be reflected in the daily AzEDS processing and reports. AzEDS allows you to generate reports for each daily aggregation, by selecting a specific Data Capture Date. ADM46-1, SPED28-1, and ELL28-1 reports will only be updated once each month, when AzEDS results will be pushed. See 2017 Data Deadlines on School Finance website: <http://www.azed.gov/finance/>.

Please remember:

All School Districts and Charter Districts should plan for a December 1 payment based on FY 2017 ADM, SPED, and ELL amounts based on student data submitted to AzEDS by November 8, 2016, 5:00 PM.

Please contact your School Finance Account Analyst for assistance with your student counts related needs. Your SF Account Analysts can be found at: [Find your LEA Analyst List](#).
